## YAHOWA 13 - SONIC PORTATION

Back in the early 70s a curious group owned and operated a health food restaurant in Los Angeles. The Source Family was a religious group of young people centered around the father figure of Father Yod, a WWII flying ace and spiritual searcher. This group of young people also performed improvisational music backing Father Yod under the name Yahowa 13. When Father Yod died in a hang gliding accident in 1975, the group dispersed. In 2007, with the publishing of a book about the Source Family, the original Yahowa 13 reunited for some shows and did some studio recordings. These are the long awaited results, the first studio recordings in over 30 years by Yahowa 13! Original members Djin, Octavius and Sunflower jam out like the ensuing years never happened. Incredible improv pieces with mind melting guitar and the psychedelic low end throb that all Yod fans will immediately recognize. Literally, the best reunion album of all time!
