YAHOWA 13
Sonic Portation

Track Listing: E Ah O Sin, Raga Nova, Yod Hey Vau Hey Tetractys, Traveling Ohm, Big Kundalini, In & Out
Rating: 5 stars!

Ambient at times & distinctly trippy as hell, Yahowa 13's new cd is pretty psychedelic, trippy & artistic, yet it's got a very distinct, almost warm feel throughout...alot of the acid rock bands who tried to do similar sounds that are created on this cd missed the mark, yet Yahowa 13, with all of the really weird song titles, created a wall of sound that's not hard rock, but more unusually artistic & makes the listener go on a journey of sounds...honestly, this cd is hard to explain, if you're a music fan, do yourself a favor & check it out & enjoy the ride!
