Erik Mongrain to release second effort

For the launch of the "Equilibrium" album, a concert (15 minutes) and an exclusive interview will be presented on October 21 at noon EST on www.erikmongrain.com

The concert will mark the launch of the Erik Mongrain's second album and will be rebroadcast every hour to cover all zones of the planet.

BIO INFO:

Mongrain is a bi-lingual Montreal native who possesses a rich talent and passion for his music. His styling and technique on guitar have left thousands witnessing his live performances and, yes, millions viewing performances on various internet sites, applauding and yearning for more.

Erik's debut "Fates" has set the tone for a new release "Equilibrium" having sold well over 3000 copies in Canada alone even with an interruption in distribution. The majority of those sales were in his home province of Quebec but this time there will be ample opportunity in the rest of Canada and across the globe.

So now we better understand what over 4 million hits on Youtube might mean for a brilliant French Canadian talent who is about to impress the world once again.

ABOUT ME

MICKIE

I live for adventure! I've been in rock bands, movies, plays and on TV. I adore animals and have a Triumph chopper and a passion for sushi and ice cream (not at the same time). After being a five-time Occasional Pasadena Doo Dah Parade princess, I have finally been crowned the Queen of the 31st Occasional Pasadena Doo Dah Parade. I am also a professional belly dancer (swords are my speciality) and a full-time journalist. Here, I'll share some of my life- who I meet and where I go in the music scene, as well as music news, and any other intriguing people, places and things I come across. Welcome and keep on rockin'!
