Acoustic Whizz Mongrain To Release New Album

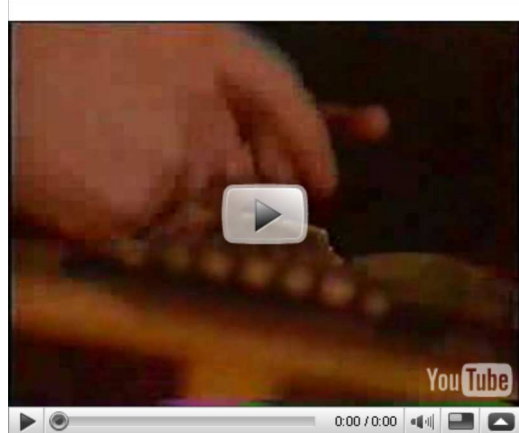

Acoustic Youtube sensation [Erik Mongrain](#) is set to release a new album, *Equilibrium*, on 27th October.

The amazingly talented acoustic guitarist from Montreal has a unique playing style, reminiscent of virtuosos Stanley Jordan, Don Ross and Michael Hedges.

Erik, 28, is widely known for his 'lap-tapping' style - with the guitar on his lap he taps chords as if playing piano!

Kicking off on 1st November, Erik will be performing 19 shows in the UK and Ireland showing off the skills that has led to him getting over 3 million views on Youtube. Check out his style below!
