Ween Release Early Live CD/DVD, Weirdness Free with Purchase

The very strange/very talented band we know as [Ween](#) will be taking fans on a trip down bizzaro memory lane November 11 with the release of an early live CD/DVD package from [MVD](#). The CD will contain an entire show from 1992 at The Cat's Cradle in Chapel Hill, NC (which happens to be one of my favorite venues). Those of you who have seen Ween live in recent years should expect something very different from this package, as early performances consisted solely of Dean and Gene Ween with a few samples, tapes, and a drum machine.

Meanwhile, the bonus DVD contains footage from several shows, including some from Halloween 1991 in Holland and 1992 in Columbus, OH. Actually, here's the tracklist for the bonus DVD:

1. Captain Fantasy (Vera)
2. You Fucked Up (Vera)
3. Tick (Vera)
4. Boing (Vera)
5. Listen To The Music (WTSR)
6. Don't Get 2 Close (2 My Fantasy) (Vera/Staches)
7. Cover It With Gas And Set It On Fire (Vera)
8. Seconds (Vera)
9. Marble Tulip Juicy Tree (Staches)
10. Gladiola Heartbreaker (Vera)
11. Common Bitch (Staches)
12. The Goin' Gets Tough From The Getgo (Vera/WTSR)
13. Reggaejunkiejew (Staches)
14. Old Queen Cole (Vera)
15. Shalom Absalom (WTSR)
16. Don't Laugh (I Love You) (Vera)
17. Mountain Dew (Vera)
