Fix : The Ministry Movie (Gigantic Pictures)

Ministry's music is scary enough. Loud, brash, angry, abrasive, aggro, thrashy, so forth and so on. But it has ENERGY. So does the odd-man badass Alien Jourgensen, the constant of Ministry – no digs against long-time collaborator and long-term band member (now ex-Ministry) Paul Barker, who appears in this doc. And Alien's loud and brash too. So I guess my hinting around the fucking bush is really a big NEON sign. If Ministry's music is scary, wait'll you step behind the fucking scenes and see the band live and loose – that is, live on stage and loose in the world! It's a frightening thing to behold, but you need your envelope pushed. Admit it. Besides, this is a gods-damned fucking important band. Just look at some of who showed up for this industrial fuckumentary: Trent fucking Reznor. Paul fucking Barker, I already told you. But what about fucking Lemmy of Motorhead? Maynard fucking Keenan of Tool!!! Mr. Dave fucking Navarro of no less than Jane's fucking Addiction. THE Jonathan Davis of k-k-k-k- Korn!!! Man, a bunch of cool motherfuckers put in appearances. Major rock icons both mainstream and underground – and those that straddle – who have influenced others are here telling Ministry's impact on them. On top of all this (as though it weren't enough), this comes with a bonus second disc, a CD – PAUL BARKER "FIX THIS!!!". So, fix your collection and snap this up. Now.
