## Genitorturers - Blackheart Revolution

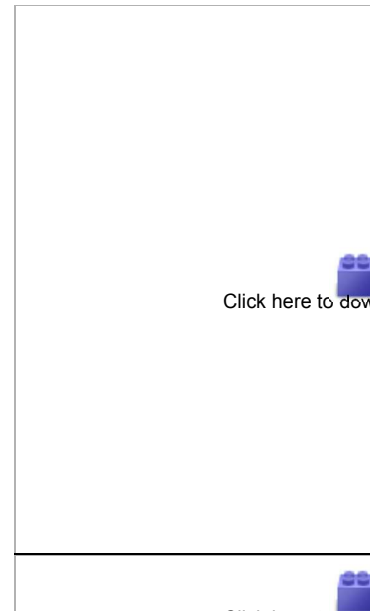

### G-Force Records/MVD Audio

The can you believe that in 2009 **Blackheart Revolution** is only the Genitorturers' third full length studio album?

**Blackheart Revolution** is the follow up to 1998's **Sin City** talk about a lengthy gap between albums? To say that **Blackheart Revolution** has been *highly anticipated* is an understatement. That said with an 11 year gap between albums and the release of a couple of *teasers* in a remix album and an E.P. this record had better deliver.

**Blackheart Revolution** kicks off with three solid, industrial, pseudo pop, groove metal tracks in "Revolution," "Kabangin' All Night," and "Devil In A Bottle." Gen's vocals are much improved, she handles melodies with ease adding new dynamic to their sound. After the aforementioned opening tracks the album begins to slowly unravel and limps
