## 'Method Man - Live From The Sunset Strip' On HD DVD, this January 22

### [North America]

With millions of records and thousands of concert and movie tickets sold, Method Man is a world class entertainer. The excitement and energy hits the stage in **Live From The Sunset Strip**, the first ever concert HD DVD from the Wu Tang MC. The full length concert is shot in High Definition, at the House Of Blues in Hollywood, California, featuring all his hits and includes a moving tribute to fallen Wu-Tang member ODB. A must have for all Method Man and Wu-Tang fans.

The full concert (72 minutes) will be available to own in high-definition exclusively on HD DVD, this January 22, for \$19.95 SRP a copy.

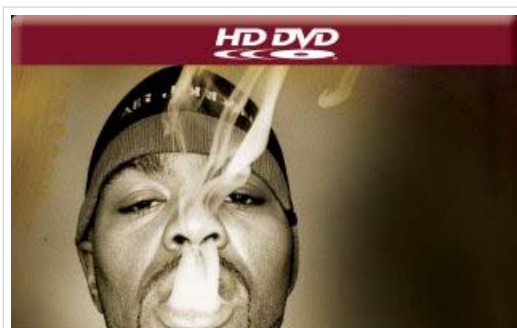

On this HD DVD disc, the full concert will be presented in:

- 1080i High-Defintion 16:9 / VC-1 Encode
- Dolby Digital 5.1 & 2.0

And the bonus content (in 480i Standard Definition / Dolby Digital 2.0) on the HD DVD includes:

- Method Man Extended Interview
- Interview with Brother J of X Clan
- Behind the scenes footage
- Photo Gallery

Click on the cover artwork below to access the official website of this HD DVD release... The concert trailer and an excerpt from the HD DVD (The excerpt can be viewed by clicking on the Fortress Directors Cut Exclusives Banner) can be found on the [official website](#).
