Echo & The Bunnymen - Dancing Horses

Deadline for answers: 2007-06-26

Thanks to MVD Visual we have three DVDs to give away to three lucky winners!

Echo & The Bunnymen - *Dancing Horses* is a 20-song set filmed and recorded at Shepherds Bush Empire in 2005. It includes an incredible 20-song set as well as an exclusive interview with **Ian McCulloch & Will Sergeant**. Echo & the Bunnymen's melancholy post-punk and psychedelic rock brought the group a slew of hits in the UK circa early '80s. Through the past 25+ years, the band has undergone a number of lineup changes, breakups, and reformations, but in 2007 they re-signed to their original record label. This DVD is outstanding proof of their song writing ability, musicianship, and stage presence.
