

Win Gang of Souls on DVD  
 Posted on 03.17.08 by Widge @ 12:55 am

Well, we are coming up on April, the cruelest month, the month of poetry, so it only seems fitting that we're going to give away a copy of this docu from MVD. Here's the skinnee from their site:

***GANG OF SOULS** (1989) is Maria Beatty's engaging documentary exploring the insights and influences of the American Beat Poets. The film conveys their consciousness and sensibility through candid interviews with [William Burroughs](#), [Allen Ginsberg](#), [Diane Di Prima](#), among others. Designed as a tribute to them and to their spirit of artistic freedom, Gang of Souls also weaves in additional commentary from contemporary musicians, poets and writers such as [Marianne Faithfull](#), [Richard Hell](#), [Lydia Lunch](#) and [Henry Rollins](#). The film seeks to truly capture the magic of the Beat generation and it's continuing legacy. It brilliantly expands upon how the poets reached new levels of creativity and inspired unprecedented social change.*

Anytime you can get [Uncle Bill](#) and Henry in the same disc...seems like it's worthwhile to me. So...we managed to snag an extra copy for you to win. How do you win? You must first enter! So hop on it, friends...

**Rules:**

- 1) You have to fill out the form \*properly\* for the entry to be valid.
- 2) We are not going to give away or sell your address or e-mail address or anything without your permission.
- 3) You can only enter once a day. A day here means from midnight to midnight, Eastern Standard Time. For those of you who need it spelled out to you, that means one person per street address AND e-mail address. If we catch you trying to jive us on an entry, or if you enter more often than once during that day, we will throw out each and every one of your entries. And we will find you out. So.
- 4) Contest is open to U.S. and Canadian residents only who are 18 or over. Sorry.
- 5) Contest ends at 11:59PM EST, on Thursday, April 17, 2008.
