New Dead Boys DVD

A new **Dead Boys** live performance DVD has just been released by MVD Visual. It features tons of songs and great performances! It's called "*Return Of The Living Dead Boys-Halloween Night 1986*".

Stiv & Dead Boys in LA, 1977

There's an introduction to the concert by [Joey Ramone](#) who says that he is so happy to see the **Dead Boys** together again. **The Ramones**, especially Joey and [Dee Dee](#) were always so generous to **Stiv** and the **Dead Boys** over the course of their career.
