

Vader
And Blood Was Shed In Warsaw DVD
(Metal Mind Productions)
by Chris Forbes

Vader blast through a 20 song set on this DVD. The camera work is outstanding and lets you feel as if your right in the front row. The lighting is perfect and the crowd is into it and the sound quality is top notch. As extras you also get 2 video clips of the band and if your a fan of the band or quality death metal, then you'll need this baby in your collection. Info:
