

VADER/And Blood Was Shed In Warsaw DVD (Metal Mind Productions) Vader blast through a 20 song set on this DVD. The camera work is outstanding and lets you feel you are right in the front row. The lighting is awesome and the crowd is into it and the sound is really good as well. You also get 2 video clips of the band and if you are a fan of the band, you'll need to add this to your collection. Info:
