January 26, 2008 -- VETERAN horror-movie hottie **Debbie Rochon** is offering fans the ultimate keepsake - pieces of her brain. The raven-haired star of "Chainsaw Cheerleaders" and "Bikini Bloodbath" says that when she recently revealed she'd be having surgery to remove a brain tumor, diehard devotees asked about acquiring it. "At first I thought it was a joke, but after dozens of requests . . . I decided to give them what they want," Rochon tells Steppin' Out's **Chance Hayden**. "I've gotten a lot of weird requests over the years, but this is by far the freakiest and darkest of them all."
