Vintage T.S.O.L. Performances On New DVD

Friday April 11, 2008 @ 02:30 PM

By: [ChartAttack.com Staff](#)

Orange County, Calif. punks **T.S.O.L.** exploded on to the scene in 1979 and have come and gone a few times since then. But MVD Visual will take fans back with the April 15 DVD release of *The Early Years Live*.

True Sounds Of Liberty

The collection features 14 1983 performances by the original lineup of singer **Jack Grisham**, guitarist **Ron Emory**, bassist **Mike Roche** and drummer **Todd Barnes** excavated from the Flipside and TargetVideo77 vaults. There's also a bonus live 2007 clip from the Team Goon/Big Wheel Media archives and a reading by Grisham from his forthcoming book, *An American Savage Reformed*.

photo of the week

T.S.O.L., short for **True Sounds Of Liberty**, had songs featured in three mid-'80s films: *Suburbia*, *Return Of The Living Dead* and *Dangerously Close*. They also have two previous DVDs: 2001's *Live In OC* and 2004's *Live In Hawaii*. Grisham was a member of **The Joykiller** and ran for governor of California during time away from T.S.O.L., who reformed for a western U.S. tour last October.

Here are the tracks on T.S.O.L. *The Early Years Live*:

- "Beneath The Shadows"
- "Sounds Of Laughter"
- "Love Story"
- "Forever Old"
- "Man And Machine"
- "Darker My Love"
- "Waiting For You"
- "Weathered Statues"
- "Superficial Love"
- "Wash Away"
- "Abolish Government/Silent Majority"
- "The Other Side"
- "She'll Be Saying"
- "Code Blue"
