[DVD Review: Heads Up 2007](#)

Here is a question for you. What do Tommy Aldridge, Gordon Campbell, Lil' Mike Mitchell, C.G. Rychie, Derico Watson, Danny Seraphine, Aaron Spears and Zoro have in common?

Well they are all drummers, but I know you knew that already. The real answer is that they all took part in the 2007 Drummer's for Jesus event.

This DVD is part drumming contest, who is the best? It is also a celebration of inspirational music. Non denominational, but never the less uplifting. It certainly makes a nice change from the rap crap that seems to have pervaded every corner of the music scene today.

Drummers For Jesus was formed in Dallas, Texas in 2002. Drummers for Jesus is a world wide network of drummers and percussionists who use their drumming to spread the message of Jesus Christ.

While this message may be a little strong for me, I can honestly say that this is a very delightful DVD. Every act that is featured does a very competent job.

If you want to try this DVD out, order a copy from [MVD](#).

While BloggerNews.net is known to provide up to the minute information on a wide variety of topics, at times a more in-depth analysis of a topic that is being written about by our writers is warranted. This section of BNN provides just that – an area of the site that looks deeper into a topic, delves into the actual facts behind it, and provides more than just a summary overview of what is happening right here and now.

From something as mundane as an overview of how credit scores work, to life and death topics such as mesothelioma, we are committed to creating a growing library of information for our readers. Featured Blogger, July/August:

BloggerNews.net would like to thank and congratulate our Blogger of the Month for the month of June 2008 – [Kevin Tipple](#) for his outstanding contributions to BloggerNews.net, including nothing but a fantastic number of great book reviews!

Kevin is a contributor to Blogger News from the great state of Texas, and writes on a variety of subjects - as long as they have to do with books, and nothing else... Which, apparently, sometimes even talk to him (Yes - the books). Turns out he is a very good book reviewer, however, so this doesn't seem to have worked out too badly for him.
