JADAKISS — KISS OF DEATH TOUR 2005 (2-DVD) MVD Visual

Jadakiss is 'the man' in this spectacular set filmed in London during his 'Kiss of Death Tour' in 2005. Featured highlights and hits from his recent solo work as well as stints with The Lox and The Ruff Ryders. Hits have, "Time's Up," "Knock

Yourself Out," "U Make Me Wanna," "We Gonna Make It," "Put Ya Hands Up" and "Why." The latter song linked George Bush with a 9/11 conspiracy theory and was banned by US radio stations. Tough social and political songs dealing with everyday life on the streets, even crossing over to pop mainstream. (3 hrs. 24 mins./Available now).
