Ja Rule: 2005 (MVD Visual, 2 DVDs, NR, 3 hours 30 min). Continuing with the rap theme is these Ja Rule performances, recorded in March 2005 in Saarbrücken, Germany and Gent, Belgium. The music covers all of his hits, from his mega-hit duets with J-Lo and Ashanti to “Between You and Me,” “Put It on Me,” “Livin’ It Up,” “Down 4 You,” “Mesmerize” and “Wonderful.” Technically, the disc comes off a bit low budget. However, there are four bonus tracks from 2002 in Manchester, England; a radio station tour; a slideshow; and three video clips. The booklet contains a biography. **Grade: B**
