## Snoop Dogg - Drop It Like It's Hot

Published: Saturday - April 26, 2008 | Comments (0)

This DVD features one of rap music's most successful crossover artists and its principal superstar in a spectacular concert performance filmed in Brussels during February of 2005. It also features two bonus tracks from Snoop's appearance at Jamaica's Reggae Sunfest in 2001, where he was charged with using profane language. This DVD includes many of his biggest hits, including "What's My Name?", "Gin & Juice" and a couple of his most recent chartbusters, "Drop It Like It's Hot" and "Get Blown". Features a special guest appearance by The Game, the hottest new name in Rap. An absolute must-have for any "top dog" devotee.
