Angola 3: Black Panthers and the Last Slave Plantation

The **Angola 3: Black Panthers** and the **Last Slave Plantation** tells the incredible and barely known story of **Robert King Wilkerson**, **Herman Wallace** and **Albert Woodfox**, who have been forced to live in solitary confinement for more than 30 years. Their crime didn't involve shanking a guard or fellow prisoner, though. In an effort to improve conditions for inmates at the Louisiana prison reputed to be the worst in the country, they organized a chapter of the Black Panther Party. In other words, they've been living apart from the prison population decades longer than the Black Panthers mattered to anyone but historians.
