Marillion are one of the UK music scene's best kept secrets; purveyors of soulful, powerful, and often deeply-moving music, whose blistering live shows leave their audiences breathless.

This concert film puts YOU in the crowd, filmed over the final 2 nights of Marillion's 'Somewhere Else' album tour at the London Forum in June 2007.

Directed and edited by Tim Sidwell, the soundtrack is presented in both stereo and 5.1 surround sound, mixed by Michael Hunter Bonus Materials:
