## THE MEATMEN (THE DEVIL'S IN THE DETAILS" VOL1 (DVD)

Well the MEATMEN are back and you still suck. Well this DVD covers part of the MEATMEN run from 79-07 and feature the man himself Tesco Vee. But this DVD feature over 30 years of meat boy mayhem from live footage, videos, tv shows, and other mayhem pulled from the rock n roll toilets as only the MEATMEN can do.

Well this DVD feature such hits as... shit called love, mr tape worn, war of the super bikers, alcohol, abba god and me, and more songs

Well this DVD is part doc, part Behind The Music, and part Jackass. But THE MEATMEN are still one of the bests and funniest bands too see live and been keeping punk non-pc for 30 years. A must for any fan of punk rock, very funny stuff and classic footage as well. (EX+/GREAT) PUNK MVD VISUAL (BW)
