Deadline for answers: 2008-04-15

We have 3 copies of Limp Bizkit 'Rock In The Park 2001' DVD To give away...

LIMP BIZKIT - ROCK IN THE PARK2001

This DVD captures - in two versions, Original and Remix - Limp Bizkit's performance at Germany's biggest and most prestigious rock event, held annually in Nuremberg, the famous Rock In The Park Festival in June of 2001, when they were pretty much at the height of their popularity. In this blinding set the band performed all their classic numbers and featured four of their Top Twenty hit singles, including Take A Look Around, the theme song to the blockbuster movie Mission Impossible 2, My Way and the chart-topping Rollin'. Since introducing their ground-breaking Nu Metal sound to the burgeoning rap-metal scene in the late Nineties, Limp Bizkit have sold over 33 million albums around the world. This intense footage shows them at the absolute top of their game.
