

## Jamaican Gold

Rock City Entertainment has released a DVD of performances filmed at the Century Club's Sunday night dance party, Jamaican Gold. The DVD fittingly goes by the same name; *Jamaican Gold* features performances from Beenie Man, Damian "Jr. Gong" Marley, Lady Saw, Elephant Man, Luciano, Spragga Benz, Baby Cham and many others.

The DVD also features the other activities that go on during the dancehall showcase: a bikini contest, a dance contest, a demonstration from dancer Ninja and a visit to the V.I.P. room. Other between-song segments include a Bob Marley tribute, a cruise of Hollywood and candid footage of the artists talking about Jamaican music and Rastafarian culture.

The two-hour long spectacular is available now.
