PUNK ROCK KARAOKE

The Punk Rock Karaoke house band features guitarist and MC Eric Melvin (NOFX), guitarist Greg Hetson (Bad Religion/Circle Jerks) drummer Derek O'Brien (Social Distortion/Adolescents) and bassist Steve Soto (Adolescents/Agent Orange). Together they recorded 10 punk classics for you to sing along to in the comfort of your own living room.

Don't feel like singing them yourself? No sweat! Vocals can be turned on at any time. Cool thing is that they too are performed by a whole bunch of guest vocalists. So even if you don't wanna go for a night of beer and karaoke, there's still a decent cover CD for you to enjoy!
