Sucherman, playing currently with Styx and previously with Brian Wilson, makes his foray into the drum DVD market with a five-hour double-disc package containing a wealth of information addressing both the technical and mental aspects of drumming. Filmed in high definition, the set is aimed at intermediate to advanced players, so Sucherman doesn't explain every detail and the pace is pretty quick. However, several slow motion segments, Sucherman's articulate delivery and some excellent camera work (including foot and overhead cameras) help the student keep up. The main menu contains four categories: Songs, Solos, Teaching and Thoughts. The songs range from the shifting time signatures of Jerry Goodman's 'Tears Of Joy' and Styx's 'One With Everything' to the 'more real world type' songs of Sucherman's
