FIVE CLASSIC ROCK DVD'S ARRIVING SEPT. 2!

Two **Beatles/Paul McCartney**-inspired DVDs, plus separate DVD's featuring **Yes, John Mayall & the Bluesbreakers** and **Cat Stevens** will all arrive in stores on Sept. 2. *The Beatles: Magical Mystery Tour Memories* focuses on the memories of those who witnessed the making of the wacky 1967 Beatles film; *Desperately Seeking Paul McCartney* tells the story of **Ruth Anson**, at the time a teenage reporter for ABC-TV who in 1965 scored one of her very first interviews with The Cute Beatle; *Yes: The Directors Cut* spotlights footage from the band's 2003 tour; *John Mayall & Bluesbreakers: Live at Iowa State University* captures the band's 1987 concert; and *Cat Stevens: Tea For the Tillerman Live* is just that; rare and classic live performances from 1971.
