James Brown - Double Dynamite!

Charly/MVD, 127 minutes, not rated, \$19.95

Two concerts from the late Godfather of Soul: the 1980 show at Manhattan's (in)famous Studio 54, notable for less emphasis on his famous horn section and more on guitar and organ. The second show was Atlanta's Chastain Park Stadium, with the band in full effect. Extras: biography, discography, photo gallery, booklet.
