lol not sure if i can get around to it, there are already a few reviews on the tube of it here, and a slew of written ones i usually try to stay clear of stuff that has been reviewed before, but i might do it :) one thing is for sure i need to watch it for sure, i am going to start doing my recent watches of my collection and i'm sure it will make an appearance in there :)

don't expect to much. :) i don't want you to kill me lol, but if you can get it at a cheap price i'd go for it, its low budget and the gun shots are bad, but i still liked it.

You boobie blocker!! Ha. Looks like it may be entertaining. Sucks that its 2 hours long. My attention span usually turns off at the 1 hour 40 min mark!

yeah it shouldn't be two hours they have a few runaround scenes, if you see it you'll know what i mean, but its not bad,
