Inside Bob Dylan's Jesus Years
MVD Entertainment Group
H-840 North Circle Drive, Oaks, PA 19456
DVD, \$14.95 www.MVDb2b.com

Inside Bob Dylan's Jesus Years is a DVD offering an inside perspective of how Bob Dylan, a Jewish folk singer from the Midwest, came to embrace Jesus Christ and Christianity. Passionate for his new faith, Dylan made three Gospel albums, and won a Grammy for "Gotta Serve Somebody". Yet the Christian direction of his music alienated fans and sparked the ire of critics, especially when he preached apocalyptic passages from the "Book of Revelation." Telling the story of Bob Dylan's transformation through interviews with notable figures ranging from "Slow Train Coming" producer Jerry Wexler to background singer Regina McCrary to San Francisco Chronicle rock reporter Joel Selven and many more, Inside Bob Dylan's Jesus Years includes rare photos, exclusive live concert footage from 1978-1981, and an interview from 1981 in which Bob Dylan himself speaks of the impact Jesus Christ had on his art and soul. Bonus features include full soundtrack MP3s! Highly recommended especially for Bob Dylan fans who wish to better understand and appreciate this turning point in his life's work. 120 minutes.
