

Dee Dee Ramone

History on My Arms

Documentary

★★★

Back in 1991, documentarian Lech Kowalski turned a camera on Dee Dee Ramone and rolled as the legendary punk bassist discoursed on his life, loves, career, tattoos and most famous song, *Chinese Rocks*. Originally Titled *Hey is Dee Dee Home*, it was released in 2003. If you missed it, here it is again, along with 50 minutes of bonus footage and a CD of Dee Dee rocking out on guitar. Hey ho.
