BIKINI BLOODBATH CARWASH

Rating: 6 stars

I'll admit it, I have a passion for bad b-movies...especially of the horror variety that have gratuitous t&A...I'm a guy, so bite me! lol Bikini Bloodbath Carwash features an interesting cast of beautiful girls who, at some point, all wind up in various forms of nakedness, while trying to avoid the maniac chef who likes to kill them & do weird things like kill a guy in a hot tub, then make soup out of him in the hot tub, or cutting off a nipple & placing it on a girls forehead...perhaps the best scene though was the bathroom scene where a girl is urinating & the urine turns to blood as the chef kills her....I know, it's all pretty sick, & I might add too, the lesbian's in this movie are even hot, so look at this movie for what it is...schlock cinema, cheesy actors, alot o' pretty girls & random acts of killing & dismemberment!
