

THRASHER

Notes Sept 09

If you're more interested in punk royalty that has managed to keep it aggro, check out the **DOA** "Men of Action" 30th anniversary DVD and new CD. The DVD features videos, live footage and TV appearances from **Joey Shithead** and his boys from Vancouver, BC that span decades and multiple iterations of hairstyles (and includes their 1978 song "The Prisoner" which remains one of my favorites to this day). Their "Hardcore '81" record was the first punk record to use the term, and they've managed to keep the punk in HC ever since (and remain on the Thrasher "All-time" list)...
