THE ZOMBIES ODESSEY & ORACLE (REVISITED) THE 40TH ANNIVERSARY CONCERT

Alongside Sgt. Pepper and Pet Sounds, there is Odessey & Oracle. A timeless classic that belatedly attained the recognition it so thoroughly deserved. English psychedelic pop band The Zombies are better known in the US, where they enjoyed three Top 5 hits in the 60s: "She's Not There" (1964) reached No.2 (and was their biggest British hit peaking at No.12); "Tell Her No" (1965) peaked at No.6 in America; and "Time Of The Season" (1969) hit No.3. Because of this trans-atlantic success, the band were known as part of the 'British Invasion'...REVIEW...IF YOU'RE A FAN OF THIS GROUP THEN THIS DVD IS A MUST TO HAVE IN YOUR COLLECTION. IT HAS 25 SONGS, 121 MINUTES OF GREAT MUSIC. LIKE I SAID, IF YOU'RE A FAN IT'S A MUST TO HAVE IN YOUR DVD COLLECTION...A Two Disc Set.
