Dedicated to the late, great fifth member of the The Zombies (Paul Atkinson 1946-2004), The Zombies: Odessey & Oracle Revisited is a DVD of the 40th anniversary reunion concert of the original four members of "The Zombies" band (Rod Argent, Colin Blunstone, Christ White & Hugh Grundy), as performed at the Shepherd's Bush Empire in London, March of 2008. The Zombies perform their complete "Odessey & Oracle" album - all 12 tracks are recreated, sung and played with pure passion. Also included are the rest of the songs played by The Zombies' Touring Band that night, from songs that The Zombies and Argent made famous to selections from Colin Blunstone's solo albums. A glorious celebration of music, The Zombies: Odessey & Oracle Revisited is an absolute "must-have" for anyone who loves The Zombies' songs. 121 minutes.
