## COMPETITIONS

### Robert Pollard Goes Through The Guided By Voices Archives, Assembles "The Devil Went Home and Puked" DVD

Deadline for answers: 2009-10-31

We have 3 Copies of Robert Pollard's "The Devil Went Home and Puked" DVD to give away...

Rockathon and MVD Visual are pleased to announce the release of The Devil Went Home and Puked on DVD for worldwide distribution on October 20, 2009.

As one of the most respected and enduring alt-rock bands of all time, Guided by Voices almost single-handedly kicked off the decade's "low fi" craze of the 1990's - on the strength of such classics as Propeller and Bee Thousand - making fans out of such renowned artists as Eddie Vedder and the Strokes in the process. And soon, the now-defunct group will be showcased on a career-encompassing DVD of live footage, The Devil Went Home and Puked.

A "video collage," if you will, of nearly every era of GBV and Robert Pollard tours ('94- present) and early GBV studio footage will be featured. Also, The Devil Went Home and Puked will contain nine hard to find full length videos from GBV and Pollard-related projects, including such ditties as "Circle Saw Boys Club," "Winston's Atomic Bird," "I-Razors," "Get Me Extra," and more. Get ready to view GBV in a whole new way with The Devil Went Home and Puked.
