

HARLEY'S WAR: *Cro Mag*: CD

The title proclaims this as "Hardcore All Stars" and, as one may guess from the cover, Harley from the Cro Mags is the main member. Features Vinnie Stigma from Agnostic Front on some tunes as well. This is thirty-two songs, comprised of twelve new songs, a 1982 Harley solo demo, and a live set from CBGB. There is also a live DVD of shows from NYC, Japan, and Germany. Fans of NYHC already know they want this. -Mike Frame (MVD Audio)
