MICHAEL JACKSON: THE TRIAL AND TRIUMPH OF THE KING OF POP -

Michael Jackson's achievements almost came crashing down during his child molestation trial. Filmed before his death, this DVD goes behind the scenes of the trial, and shows him on the comeback trail to reclaim his past glory with the London show. The film features appearances by guest artists such as: Kanye West, Fantasia, Ashford & Simpson and more.

COUNT BASIE: LIVE IN BERLIN & STOCKHOLM 1968 -

Count Basie and his Orchestra filmed live in Berlin and Stockholm in 1968.

These two performances featuring Eddie 'Lockjaw' Davis amongst other great players, prove that despite changes in personnel, the orchestra was still able to produce marvelous music.
