DROP DEAD ROCK...FROM MVD HOME ENTERTAINMENT...A punky group of garage rockers kidnap a famous (and universally despised) British rocker, hoping he'll open music-industry doors for them. But the star's former porn-star wife and his conniving manager (Adam Ant) want the rocker's fortune -- and want him out of the picture permanently. Debbie Harry (of Blondie fame) makes a memorable appearance as a media mogul...WHAT CAN I SAY THIS IS NOT A VERY GOOD MOVIE. IF YOU'RE FAN OF PUNK AND ADAM ANT OR DEBORAH HARRY, THEN YOU MAY WANT TO RENT JUST TO SEE WHAT IT'S ALL ABOUT...Extra Features..."Inseminator" Music Video With Warrior Soul And So Much More!!!
