Drop Dead Rock is a bizarrely funny comedy about a last dregs rock 'n' roll band called Hindenburg that kidnap the great British rock star Spazz-O, and hold him hostage to expose him to their music and thus garner fame. But Spazz-O's ex-porn star wife and her ruthless manager will benefit immensely if Spazz-O dies, and they've hired a hitman to make it happen. A media rush shoots Spazz-O's hype into the stratosphere, and the wealth of an eager media mogul makes Spazz-O worth more alive than dead! It's an all-out free-for-all between an inept rock band of kidnapers, a murderous assassin, frenzied media hounds and more in this laugh-out-loud funny adventure that cuts every sacred cow of the rock world down to size. Highly recommended. Not rated, 93 minutes.
