Michael Jackson: The Life and Times of the King of Pop 1958-2009 is a DVD documentary of the last days and memorial service of famous singer, performer, and entertainer Michael Jackson. Born to a working-class family in the Midwest, Jackson earned legendary fame at his peak; he leaved behind a widely beloved musical legacy. Appearances at his memorial service included Usher, Janet Jackson, the Jacksons, Brooke Shields, Magic Johnson, Rev. Al Sharpton, Stevie Wonder, Lionel Richie, and more. A fitting tribute to the so-called "King of Pop", and a must-have for Michael Jackson fans.
