CD Review: Andi Sex Gang – Inventing New Destruction

February 10th, 2008 by Simon Barrett

BNN BlogAds

This is one of those albums that you listen to and go brommere Baseding Germany Andi Sexgang and his bond/The Sex Gang Children have been a staple in the Goth movement.

Inventing New Destruction is the second of three newhalbums recorded and released by Andi in 2006. The album was recorded in Berlin and features Matthew Saw and DJ Ragnar.

I thought I knew the Goth music style, and to me this was not the genre I am used to, I am really not sure what it is, but listenable music it is not.

If you feel you need to try it, you can get your copy from MVD.
