COMMENTS & REVIEWS

Marc	<p><u>Published on: 30 Aug 2010</u></p> <p>Raven Soul have put out a very good album of stoner Rock with some Prog and Goth leanings. All the songs are very well written and recorded. <i>100 Bleeding Hearts</i> is a top level CD of catchy yet powerful songs. Add to that a greatly talented lead singer and you have all the ingredients for a great album.</p> <p>Check this band out. If you are into the heavier and darker side of music (yet accessible), Raven Soul is a band to discover indeed. Highly recommended.</p>
