

AM & Shawn Lee
La Musique Numerique
(PARK THE VAN)

★★★★★★★☆☆ 7/10

On AM & Shawn Lee's second album, the former's '70s psychedelic funk slots ever more comfortably into the latter's spacey groove. "Special Disco" sounds like it's traveling through water, while the duo's cover of Joe Jackson's "Steppin' Out" has never been so distortedly blunted. Temperate disco for the sophisticated set.
