TUCKER, TANYA

Self-Titled

MVD

Tanya Tucker has had a storied career that she started when she was just a child at 13 years old. With hits in her catalog including 29 top-ten singles, it's safe to say Tucker has made a huge impact on the country music scene. On this DVD, recorded live at the famous Church Street Station in Orlando, Tucker performs her hits including "Delta Dawn," "What's Your Mama's Name," as well as some well known covers with "Baby I'm Yours" and "You Are So Beautiful To Me." Her personality shows throughout the show as she bounces around the stage, dancing along with her upbeat music and making sure that the crowd is involved in her performance throughout. Her 9-song performance is pretty quick and to the point, but it gets the job done. When you see Tucker's live show you start to truly understand why she has a legendary status about her. She is a true performer and entertainer that takes her songs to a whole new level with her raspy voice and great personality. This DVD perfectly captures Tucker's onstage presence and will have you falling in love with her all over again. As an added bonus you also get 4 tracks from Terri Gibbs at the end of Tucker's performance.
