[New Releases] MVD Music Video “Under Review”

MVD Music Video—“Under Review” Music-video distributors MVD and Sexy Intellectual have collected the quintessential must-have archives from the key founders of modern music. Each 90-minute, independent, critical analysis of The Velvet Underground, The Smiths, Kate Bush, Captain Beefheart and others offers an exquisite crash course in its subject. The documentaries all contain live performances, interviews and never-before-seen footage and the “hardest interactive quiz in the world ever” on each subject. Velvet’s fans should also check out “Velvet Redux: Live MCMXCIII.” Order them locally at Be-Bop.
