

NEW 'CLASSIC' MORRISON DVD DUE APRIL 15!

The ***Van Morrison: Under Review 1964-1974*** DVD will arrive on April 15. As the title implies, the 2-hour documentary film spotlights the Belfast Cowboy's music during that 10-year span, including career highlights recorded with Them as well as classic solo album releases such as *Astral Weeks*, *Moondance*, *St. Dominic's Preview*, *Tupelo Honey*, *Veedon Fleece*, and the live treasure, *It's Too Late to Stop Now*. Features include rare Morrison performances, interviews, footage, and more.
