

SMITHS' QUEEN IS DEAD LP EXHUMED FOR DVD!

The Smiths classic album, *The Queen is Dead*, goes under the microscope in a new documentary coming to DVD on June 10. The aptly titled *The Queen is Dead: A Classic Album Under Review* dissects the band's third album using rare footage of the group, studio and live recordings of every song on the original album, interviews with band members and others who worked on the record, and more.
