"The Who, The Mods And The Quadrophenia Connection"...

Click images to enlarge...

"The Who, The Mods and The Quadrophenia Connection" is the new DVD doc from Sexy Intellectual and **MVD Visual**, following guitarist, composer Pete Townsend's 'The Who'.

"...As far as the 'Mod' movement which had guaranteed The Who's early success, and the Pete Townsend composed musical depiction of that movement, 'Quadrophenia', the story has been twisted, complicated and misunderstood, but remains endlessly fascinating. The band, the movement, the album, the second wave, the movie and now the 30th anniversary of the latter two, all make for a story that needs to be told in depth..."
