THE SKINNY: Mario Bianchi's erotic drama [Reflections of Light](#) is a steaming tale of Sapphic adultery reminiscent of [Lady Chatterley's Lover](#). At a luxurious countryside villa, Marta ([Pamela Prati](#)) grows frustrated by her inability to have amorous relations with her paralyzed husband. As a result, the young woman welcomes the advances of an eclectic cast of potential mates. The scorching Prati has rarely looked so radiant, and co-stars [Laura Gemser](#) and [Jessica Moore](#) do an admirable job keeping up by staying comfortably dressed down.
